

Welcome to St. Isidore Catholic Curriculum!

Below is some important information you will need to know with regards to your Office 365 account.

Logging into Office 365

To log into Office 365, you will go to <https://portal.office.com> via any web browser. Below is the online sign-in screen.

The below screen will appear after you enter your Office 365 account and click *next* in the screen above.

At the *Enter Password* screen you will see a **green Archdiocese of Denver banner** (see the red arrow in the below screen). If you do not see the Archdiocese of Denver banner and at the top of the login screen, **stop** and **do not enter your password**. Go back and verify that you logged in at <https://portal.office.org>. If you continue to have issues, please notify your teacher.
